

Global Alliance for Leadership in Nursing Education and Scholarship 2016 - 2018 STRATEGIC PLAN

The Global Alliance for Leadership in Nursing Education and Science (GANES) constitutes the only international body providing strategic-level expertise in the education and professional development of nurses worldwide. Its membership is comprised of national associations of Nursing Deans and Schools of Nursing and is able to offer information, support and advice to health care policy makers and nurse educators across the world. The 2016-2018 GANES Strategic Plan sets out the Goals and Objectives that will help GANES carry out its mission in the current global health care environment.

Our mission

GANES's mission is to provide the informed international voice on the contribution of professional nursing education and scholarship to improving global health and health care.
